## ACRONYMS

|         |  |
|---------|--|
| AAC     | Annual Average Cost  |
| AAHU    | Annual Average Habitat Unit  |
| ACHP    | Advisory Council on Historical Places                                    |
| A/E     | Architect/Engineer   |
| AFB     | Alternative Formulation Briefing   |
| ASA(CW) | Assistant Secretary of the Army for Civil Works                          |
| ASR     | Aquifer Storage and Recovery   |
|         |  |
| BA      | Biological Assessment  |
| BCWPA   | Broward County Water Preserve Area                                       |
| BEAM    | Benefits Evaluation Assessment Methodology                               |
| BEBR    | Bureau of Economics and Business Research                                |
| BMP     | Best Management Practice   |
| BODR    | Basis of Design Report   |
|         |  |
| C&SF    | Central and South Florida  |
| CAR     | Coordination Act Report  |
| CCD     | Chamber of Commerce District   |
| CE      | Conservation Easement  |
| CE/ICA  | Cost Effectiveness/Incremental Cost Analysis                             |
| CEM     | Conceptual Ecological Models   |
| CERCLA  | Comprehensive Environmental Response, Compensation,<br>and Liability Act |
| CERP    | Comprehensive Everglades Restoration Plan                                |
| CERPRA  | Comprehensive Everglades Restoration Plan Regulation Act                 |
| CESAJ   | U.S. Army Engineer District, Jacksonville                                |
| CFA     | Core Foraging Area   |
| cfs     | Cubic Feet per Second  |
| Corps   | U.S. Army Corps of Engineers   |
| CWA     | Clean Water Act  |
|         |  |
| DA      | Department of the Army   |
| Decomp  | WCA3 Decompartmentalization and Sheetflow Enhancement<br>Project         |
| DERM    | Miami-Dade Department of Environmental Regulation and<br>Management      |
| DO      | Dissolved Oxygen   |
| DOI     | Department of Interior   |
|         |  |
| EAA     | Everglades Agricultural Area   |
| ECC     | East Coast Canals  |
| ECP     | Everglades Construction Project  |

|         |  |
|---------|--|
| EFH     | Essential Fish Habitat                                     |
| EIS     | Environmental Impact Statement                             |
| ELVM    | Everglades Landscape Vegetation Model                      |
| ENP     | Everglades National Park                                   |
| EPA     | Everglades Protection Area                                 |
| ER      | Engineering Regulations                                    |
| EWMA    | Everglades Wildlife Management Area                        |
|         |  |
| F.A.C.  | Florida Administrative Code                                |
| FCI     | Functional Capacity Index                                  |
| FCU     | Functional Capacity Unit                                   |
| FDEP    | Florida Department of Environmental Protection             |
| FDOT    | Florida Department of Transportation                       |
| FIFRA   | Federal Insecticide, Fungicide, and Rodenticide Act        |
| F.I.R.E | Finance, Insurance, and Real Estate                        |
| FLUCCS  | Florida Land Use, Cover and Forms Classification System    |
| FOIA    | Freedom of Information Act                                 |
| FPL     | Florida Power and Light                                    |
| FWC     | Florida Fish and Wildlife Conservation Commission          |
| FWCA    | Fish and Wildlife Coordination Act                         |
| FSM     | Feasibility Scoping Meeting                                |
|         |  |
| GCTL    | Groundwater Concentration Target Levels                    |
| GM      | Guidance Memorandum  |
| GSP     | Gross State Product  |
|         |  |
| HQUSACE | Headquarters   |
| HTRW    | Hazardous, Toxic, and Radioactive Waste                    |
| HU      | Habitat Unit   |
|         |  |
| ICU     | Initial CERP Update  |
| IR      | Indicator Region   |
| IRC     | Issue Resolution Conference                                |
| ITR     | Independent Technical Review                               |
|         |  |
| LAI     | Last-Added Incremental Analysis                            |
| LEC     | Lower East Coast   |
| LERRD   | Lands, Easements, Rights-of-way, Relocations, and Disposal |
| LIDAR   | Light Detection And Ranging                                |
| LNWR    | Loxahatchee National Wildlife Refuge                       |
|         |  |
| M&I     | Municipal and Industrial                                   |
| MAP     | Monitoring and Assessment Plan                             |
| MGD     | Million Gallons per Day                                    |

|         |  |
|---------|--|
| MISP    | Master Implementation Sequencing Plan                          |
| MOA     | Memorandum of Agreement  |
| NAGPRA  | Native American Graves Protection and Repatriation Act         |
| NAI     | Next Added Incremental Analysis                                |
| NED     | National Economic Development                                  |
| NEPA    | National Environmental Policy Act                              |
| NER     | National Ecosystem Restoration                                 |
| NGVD    | National Geodetic Vertical Datum                               |
| NLBSA   | North Lake Belt Storage Area                                   |
| NMFS    | National Marine Fisheries Service                              |
| NNR     | North New River  |
| NOAA    | National Oceanic and Atmospheric Administration                |
| NOI     | Notice of Intent   |
| NPS     | National Parks Service   |
| NRCS    | Natural Resources Conservation Service                         |
| NRHP    | National Register of Historic Places                           |
| NSM     | Natural Systems Model  |
| OFW     | Outstanding Florida Waters                                     |
| O&M     | Operation and Maintenance                                      |
| OMRR&R  | Operation, Maintenance, Repair, Replacement and Rehabilitation |
| OSE     | Other Social Effects   |
| P&G     | Principles and Guidelines                                      |
| PAL     | Planning Aid Letter  |
| PAR     | Planning Aid Report  |
| ppb     | parts per billion  |
| PCA     | Project Cooperation Agreement                                  |
| PDT     | Project Delivery Team  |
| PED     | Pre-construction Engineering and Design                        |
| PIR     | Project Implementation Report                                  |
| PLRG    | Pollution Load Reduction Goal                                  |
| PMP     | Project Management Plan  |
| RCRA    | Resource Conservation Recovery Act                             |
| RECOVER | Restoration, Coordination, and Verification                    |
| RED     | Regional Economic Development                                  |
| REP     | Real Estate Plan   |
| Restudy | C&SF Project Comprehensive Review Study                        |
| RIMS    | Regional Input-Output Multiplier System                        |
| RPDT    | Regional Project Delivery Team                                 |
| ROD     | Record of Decision   |

|       |   |
|-------|---|
| ROM   | Rough Order of Magnitude                            |
| S&A   | Supervision and Administration                      |
| SAD   | South Atlantic Division                             |
| SAFMC | South Atlantic Fishery Management Council           |
| SAP   | Selected Alternative Plan                           |
| SBDD  | South Broward Drainage District                     |
| SCORP | Florida State Comprehensive Outdoor Recreation Plan |
| SCTL  | Soil Cleanup Target Levels                          |
| SDCS  | South Dade Conveyance System                        |
| SFWMD | South Florida Water Management District             |
| SFWMM | South Florida Water Management Model                |
| SHPO  | Florida State Historical Preservation Officer       |
| SMA   | Seepage Management Area                             |
| STA   | Stormwater Treatment Area                           |
| SWIM  | Surface Water Improvement and Management            |
| TDS   | Total Dissolved Solids                              |
| TMDL  | Total Maximum Daily Load                            |
| TN    | Total Nitrogen                                      |
| TP    | Total Phosphorous                                   |
| TSP   | Tentatively Selected Plan                           |
| UF    | Unit Day Value                                      |
| UF    | University of Florida                               |
| UMAM  | Uniform Mitigation Assessment Methodology           |
| USACE | U.S. Army Corps of Engineers                        |
| USEPA | U.S. Environmental Protection Agency                |
| USFWS | U.S. Fish and Wildlife Service                      |
| USGS  | U.S. Geological Survey                              |
| VOC   | Volatile Organic Carbons                            |
| WCA   | Water Conservation Area                             |
| WPA   | Water Preserve Area                                 |
| WPAFS | Water Preserve Area Feasibility Study               |
| WQC   | Water Quality Certification                         |
| WRAP  | Wetland Rapid Assessment Procedure                  |
| WRDA  | Water Resources Development Act                     |
| WY    | Water Year  |
