

Table of Contents

Executive SummaryES-1

1.0 Introduction 1-1

2.0 Performance Measures as Evaluation and Assessment Tools 2-1

3.0 Relationship to CERP Adaptive Management Framework 3-1

4.0 CERP Success Points of Reference 4-1

5.0 Relationship of Performance Measures to Interim Goals and Interim Targets 5-1

6.0 History of Performance Measure Development 6-1

7.0 Criteria and Guidelines for Performance Measure Development 7-1

8.0 Conceptual Ecological Models..... 8-1

9.0 Lake Okeechobee CERP-Specific Conceptual Ecological Models and Performance Measures..... 9-1

10.0 Northern Estuaries CERP-Specific Conceptual Models and Performance Measures ... 10-1

11.0 Greater Everglades CERP-Specific Conceptual Ecological Models and Performance Measures..... 11-1

12.0 Southern Estuaries CERP-Specific Conceptual Ecological Models and Performance Measures..... 12-1

13.0 Water Supply and Flood Protection Performance Measures 13-1

14.0 Total System CERP-Specific Conceptual Ecological Models and Performance Measures 14-1

15.0 Review Process..... 15-1

16.0 Uncertainty Associated with Performance Measure Application..... 16-1

17.0 Next Steps 17-1

Appendix A. Models Used with Performance Measures to Evaluate Alternative Plans A-1

Appendix B. Crosswalk of Performance Measures B-1

Appendix C. Legal Justification for Performance Measures C-1

Appendix D. History of Restudy Performance Measures D-1

Appendix E. Indicator Region Documentation E-1
